

European Research Council Synergy Grant (SyG) event in Baltics

The Estonian Research Council, the Latvian Council of Science and the Research Council of Lithuania are inviting you to join the information session on European Research Council Synergy grants on September 29, 14:00 (EEST). The aim of the event is to raise Baltic researchers' awareness of the ERC Synergy Grants (SyG) opportunity and encourage applications.

The European Research Council Executive Agency (ERCEA) Synergy Grants call co-coordinator Giuliano Scalzi will present the overall scheme, relevant information on this grant and practical suggestions for applicants in Baltic countries and beyond. The presentation will be followed by a Q & A session.

Synergy grant holder Assoc. Prof. Dr. Anelia Kassabova, Institute of Ethnology and Folklore Studies with Ethnographic Museum - Bulgarian Academy of Sciences, will share her experience on a successful project [LEVIATHAN](#) (Taming the European Leviathan: The Legacy of Post-War Medicine and the Common Good). Prof. Kassabova will provide insights into how her team defined the project idea and managed the proposal preparation, how was the application process for her team and will provide some useful tips for Baltic researchers and their partners, who might be considering submitting successful applications.

The participants are able to submit their questions to the speakers, when registering for the event or using [sli.do](#). Please use the code #4172 481. The sli.do will be used during the event as well.

The agenda (all times are Eastern European Time, EEST):
