One Health Boost

Boosting the One Health Research Excellence and Management Capacity of the Estonian University of Life Sciences

OH-Boosti eesmärk on tõsta Eesti Maaülikooli ja Tartu Ülikooli teaduse ja innovatsiooni edukust ning juhtimis- ja haldussuutlikkust One Healthi valdkonnas.

Teadmiste ning oskuste edendamine toimub tihedas koostöös Helsinki ning Milano ülikoolidega
