

PARROT programme provides travel grants for cooperation between French and Estonian researchers

Webinar in English on 5 March 2024
at 10:00–11:00 (CET) / 11:00–12:00 (EET)

On **5 March** the Estonian Research Council and the French Institute of Estonia will jointly organise a webinar on PARROT mobility and research cooperation programme for travel grants for 2025–2026.

The French and Estonian coordinators of the PARROT programme will give an overview of the programme's objectives, eligibility conditions and eligible costs, project selection etc.

The webinar will be held in Teams and will be **in English**. The event will be recorded and a recording link will be sent to registrants after the event. During the event and in the registration form it is possible to ask questions.

Please register by 4 March [HERE](#)

The application round for the years 2025–2026 opens on **1 April 2024** and the deadline is **31 May 2024**.

French–Estonian PARROT programme provides travel grants for science and technology cooperation between French and Estonian researchers. The objective of the programme is to develop scientific and technological exchanges of excellence between laboratories in both countries, by promoting new cooperation and the participation of young researchers and doctoral students.
